Strong, intelligent songwriting with clear, engaging vocals and the intricate, melodic guitar work that has become Tom Chapin's trademark. "Mine is not a traditional music, but it comes from a tradition. My musical heroes are people like Pete Seeger and Woody Guthrie, who wrote and sang real songs for real people; for everyone, old, young, and in between." Tom Chapin's music spans styles and generations, with life-affirming original songs told in a sophisticated array of musical styles. Tom carries on the tradition of older brother, Harry, including many of Harry's best-known songs in his shows.
