This Chicago-based duo has traveled a million miles since 1993, becoming sought-after regulars at clubs, coffeehouses house concerts and at major folk festivals across the U.S. including the Kerrville and Philadelphia Folk Festivals. Calling themselves eclectic-maniacs, they describe their music as "Celtic to Cowboy" the result of "years of careful indecision" to come up with a mix of music that ranges from country, blues, and swing to Irish, with songwriting that touches on all of those styles and more. Both sing, play guitars and an array of other instruments
