For nearly three decades, Bryan Bowers has been to the autoharp what Earl Scruggs was to the five-string banjo. He presents instrumental virtuosity combined with warmth, eloquence, expression and professionalism. A major artist on the traditional music circuit, he has redefined the autoharp. A dynamic outgoing personality, he has an uncanny ability to enchant a crowd in practically any situation. "...This man makes more music from an Autoharp than you can imagine from a 12-string guitar and a harpsichord combined. He has more stage presence and charisma than any stage performer in recent memory." —The Washington Times
