

RESONANCE Steel Drum Ensemble

FREE SUMMER CONCERT ON THE LAWN

SUNDAY, JUNE 22 5PM The Potomac Center, 1 Blue St.

(lawn seating, indoor if rain) Info 496-8002 www.HampshireArts.org

Resonance is a world fusion ensemble made up of three percussionists, guitar and bass. The distinctive sound of the steel drums draws you into a mix of Caribbean jazz and global fusion music. An array of musical styling ranging from traditional Caribbean and original fusion music to moments of African and Caribbean drumming. Trained in the steel band of pan master Ellie Mannette, members of the ensemble have performed and studied on five continents and with such prestigious ensembles as the Pittsburgh Symphony, Umoja African Arts Ensemble, and the River City Brass Band.
